**KHANAK
UDHYOG**

Commercial Kitchen Catering and Food Service Equipment

India's Largest Manufacture Of Best Possible Turnkey Services For Commercial Kitchens

Delivering the best and prioritizing customer needs, budget and delivery, **Khanak Udhog** has taken the industry by storms and achieved the maximum content and satisfaction of its clients. As a company, we are the youngest and amongst the few firms in the country which provide the best possible turnkey services for commercial kitchens. From the anatomy point, we are a dedicated establishment exclusively designed to deal with the complete range of food service equipment and has been established by a knowledgeable group having complete and incomparable experience of the needs of the small, medium and Standard Establishments catering to small groups like bakeries doubling as eateries also, Medium sized eateries, Restaurants and large and Standard Hotels with a very large and fully satisfied clientele.

Our main focus has always been on the quality we provide, as we facilitate premium quality of products to our valued customers. The pioneers of the company scoured the world market, satisfying themselves of the quality of machinery brought out by the different manufacturers and thereafter entered into agreement with the manufacturers for sole distributorship in the country.
